**WHEEL FUN RENTALS GIVES 750<sup>TH</sup> FREE RENTAL  
TO BIG BROTHERS BIG SISTERS**

(Ventura, California) --- Wheel Fun Rentals offered free rental use to over 750 Big Brothers Big Sisters matches in 2008 and we plan to exceed the 1,000 mark this year. Wheel Fun Rentals is the number one recreational rental franchise in the US, offering unique bikes, including multi-passenger Surrey cycles, pedal boats and more.

Launched in 2008, its “Biking Buddies” Program for Big Brothers Big Sisters entitles Big Brothers or Sisters to bring their Little Brothers and Sisters to Wheel Fun Rentals, where they receive FREE RENTALS to enjoy together. The program is valid at any of Wheel Fun Rental’s Los Angeles and Orange county area outlets.

The best thing about this program is that it is UNLIMITED! The program can be utilized whenever the ‘Big’ and ‘Little’ spend time together; it’s not a one time deal! “This program will ensure that the Big Brother and Big Sister volunteers always have something fun, fit and FREE to do with the children that they mentor” said Al Stonehouse, President of Wheel Fun Rentals.

Big Brothers Big Sisters is a community based program that matches children from the ages of six through eighteen with an adult volunteer, in the hopes of making an impact in the child’s life. These children usually come from single-parent homes; with a

number of them having incarcerated parents and some coming from foster and group homes. These children need support; someone who will mentor and spend time with them is invaluable. By being part of the program, these children are matched with a person who cares and who wants to help, as they turn “Little Moments into Big Magic”. Research on Big Brothers Big Sisters’ volunteer programs points to the powerful, positive, lasting impact Bigs have on children’s lives. Littles are: 52% less likely to skip school, 46% less likely to begin using illegal drugs and more likely to get along with their families and peers. This gift of time is priceless to a child who is in need of an additional role model and can make the difference between a child following negative influences or succeeding in life.

This is a great way to show some of LA and Orange County’s most dedicated volunteers that the things they do are appreciated, while creating a fun filled day for them to enjoy with their “Little”. Wheel Fun Rentals is both honored and proud to be able to give to this wonderful organization that supports families and children, helping to improve the lives of young people throughout LA and Orange County.
